Subscriptions showcase

Give your loved ones a lockdown friendly gift this year, with a subscription box delivered right to their door.

Box Zero

Each month you will receive a gorgeous selection of plastic-free products which will help you to make small, easy changes to your life, that will reduce your impact on our Earth, and that will make you feel amazing, inside and out. You can select the vegan-friendly option too.

From gorgeous bathroom swaps and ideas for making less of an impact when travelling, to zero-waste kitchen changes and everything in between, we have it all covered, and with up to 25% off RRP too.

The Happy News

A colourful, 32-page newspaper celebrating only good news! We like to think of it as a little piece of sunshine through your letterbox.

Send a year's worth of happy news in the form of a gift subscription to a friend or loved one. They will receive four issues of the newspaper, one every three months for 12 months.

Their first newspaper will arrive with a small generic gift card to let them know they will be receiving The Happy Newspaper!

SnackSuprise

The SnackSurprise Box comes with the coolest and best tasting snacks from around the world – including hand picked sweets, crisps, cookies, chocolates, drinks and lots more!. Each months box is themed after a different country. The country of choice for a particular month and the snacks are a total SnackSurprise! It could be ANY country in the world – Japan, Australia, Turkey, USA, Poland and the list goes on!
